

HOW TO GET TO ZLÍN

By car

Zlín is connected to the main centers in the Czech Republic by a 1st class roadway I/49 with connection to the country's main highway network (D1) towards Brno - Prague and Ostrava.

Distances from selected European centres and Czech towns

EUROPEAN CITIES	DISTANCES	CZECH TOWNS	DISTANCES
Berlin	673 km	Brno	98 km
Budapest	386 km	České Budějovice	315 km
London	1529 km	Hradec Králové	213 km
Moscow	1735 km	Liberec	403 km
Paris	1342 km	Ostrava	105 km
Vienna	190 km	Plzeň	393 km
Warszawa	496 km	Praque	310 km
Bratislava	154 km	Ústí nad Labem	389 km

By train

Railway station Otrokovice (10km from the centre of Zlín) is on the main rail line number 330 (Vienna) – Břeclav – Otrokovice – Přerov, with a connection in Přerov to line number 270 Prague – Ostrava – (Warsaw). The town Zlín and its industrial zones are connected to the local rail line number 335 Otrokovice – Zlín střed (Zlín Center) – Vizovice by a shuttle train.

By bus

In addition to the extensive railway network there is a dense network of coach lines. Its long distance coaches tend to be faster, more frequent and even cheaper than trains. The Czech Republic has connection from/to major European cities several times a week. Most international buses arrive in Prague (Florenc) or in Brno (Zvonařka). There are several buses a day running to Zlín from Prague or Brno.

By air

Zlín does not have its own airport. The air gate to the Czech Republic is the Prague International Airport – Ruzyně (PRG) which has daily connections from/ to major European cities. Another possibility is to fly to Vienna (Austria) – 220km from Zlín or Bratislava (Slovakia) – 200km from Zlín. There are direct train and bus connections to Zlín from the above cities.
