Dear Sir/Madam

The British Library Document Supply Centre (BLDSC) attempts to acquire all 'worthwhile' conference material as comprehensively as possible in order to build a national resource for the UK research community. Special efforts are made to collect conference 'publications' which are not available through normal book selling channels.

We have received a request for the title cited on the enclosed order. It would be very much appreciated if you could supply BLDSC with one copy. Please send the item with your invoice to the address quoted on the order. Please query any price more than £150.00 (pounds sterling) before supplying.

Please quote order number 080023321 on all correspondence.

Thank you.

Yours faithfully,

MARJORIE NEWSON,
Conference Acquisitions Officer
